OUR MISSION

L.A. CADA is committed to saving lives, empowering individuals and families, and strengthening communities through innovative, client-centered, culturally sensitive substance use and behavioral health services.

WHO WE ARE

The Los Angeles Centers for Alcohol and Drug Abuse (L.A. CADA) is a licensed and certified substance use and behavioral treatment provider by the State of California Department of Health Care Services and the County of Los Angeles Department of Public Health – Substance Abuse Prevention and Control.

We treat persons with addiction and behavioral problems by providing client-centered, trauma-informed, recovery-orientated services, offered by a committed, caring and qualified staff of licensed, certified and registered professionals.
